Our highly practical approach ensures that delegates gain valuable insights to enhance their day-to-day practices, irrespective of their jurisdiction.

TOPICS INCLUDE

- **A comparison of maintenance provision across Europe**
- **Service of international family law proceedings in Europe: tips and traps**
- **The hazards of 'sole domicile' petitions**
- **Enforcing capital and maintenance orders across Europe**
- **Prenups across Europe**
- **Stays and forum issues within European cross-border divorce**

But it's not all work and no play! We've crafted optional, fun social activities to deepen connections and explore the majestic region, including surfing, country walks and a cultural tour.

Experience the charm of Cascais in April, with its coved sandy beaches, cliff-hugging eateries, and the UNESCO World Heritage site of Sintra. Plus, it's just a short car or train journey from the bustling capital, Lisbon.

Book your place now for a conference that balances education with unforgettable experiences.

We hope to see you in Portugal!
